

Authorising your agent

Please read the notes on the back before completing this authority. This authority allows us to exchange and disclose information about you with your agent and to deal with them on matters within the responsibility of HM Revenue & Customs (HMRC), as specified on this form. This overrides any earlier authority given to HMRC. We will hold this authority until you tell us that the details have changed.

2 What this authority means

· For matters other than VAT or Tax Credits

We will start sending letters and forms to your agent and give them access to your account information online. Sometimes we need to correspond with you as well as, or instead of, your agent.

For example, the latest information on what SA forms we send automatically can be found on our website, go to www.hmrc.gov.uk/sa/agentlist.htm

or phone the SA Helpdesk on **0845 9 000 444**.
You will not receive your Self Assessment Statements of Account if you authorise your agent to receive them instead, but paying any amount due is your responsibility.

We do not send National Insurance statements and requests for payment to your agent unless you have asked us if you can defer payment.

Companies do not receive Statements of Account.

For VAT and Tax Credits

We will continue to send correspondence to you rather than to your agent but we can deal with your agent in writing or by phone on specific matters. If your agent is able to submit VAT returns online on your behalf, you will need to authorise them to do so through our website. For joint Tax Credit claims, we need both claimants to sign this authority to enable HM Revenue & Customs to deal with your agent.

3 How we use your information

HM Revenue & Customs is a Data Controller under the Data Protection Act 1998. We hold information for the purposes specified in our notification to the Information Commissioner, including the assessment and collection of tax and duties, the payment of benefits and the prevention and detection of crime, and may use this information for any of them. We may get information about you from others, or we may give information to them. If we do, it will only be as the law permits.

We may check information we receive about you with what is already in our records. This can include information provided by you, as well as by others, such as other government departments or agencies and overseas tax and customs authorities. We will not give information to anyone outside HM Revenue & Customs unless the law permits us to do so.

This authority does not allow your agent to request personal information held about you under the subject access provisions of the Data Protection Act 1998.

Further information can be found on our website,
