- 17.4. PAYPLUS may subcontract the performance of any of its obligations under this Agreement, provided that PAYPLUS will remain liable to the Customer for the acts and omissions of its subcontractors.
- 17.5. This Agreement contains the whole agreement between the parties, and supersedes all prior agreements, arrangements and understandings between the parties, relating to its subject matter. Each party acknowledges that, in entering into this Agreement, it does not rely on any statement, representation, assurance or warranty (whether it was made negligently or innocently) of any person (whether a party to this Agreement or not) (each, a Representation) other than as expressly set out in this Agreement. Each party agrees that the only rights and remedies available to it arising out of or in connection with a Representation will be for breach of this Agreement. Nothing in this clause 17.5 will limit or exclude any liability for fraud.
- 17.6. These General Terms and Conditions apply to this Agreement to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing. In particular, any terms or conditions attached to or forming part of any purchase order issued by the Customer will be null and void and of no effect.
- 17.7. If any provision of this Agreement is held to be invalid or unenforceable for any reason, that provision will, if possible, be adjusted rather than voided, in order to achieve a result which corresponds to the fullest possible extent to the intention of the parties. The nullity or adjustment of any provision of this Agreement will not affect the validity and enforceability of any other provision of this Agreement.
- 17.8. Any notice required or permitted to be given under this Agreement must be in writing and delivered personally, sent by courier, first class post or by email, such that the notifying party can prove delivery of the notice, in each case to the address of the receiving party set out in the Order Form.
- 17.9. The failure of a party to enforce a provision of this Agreement or any rights with respect thereto (or any delay in so doing) will not be a waiver of that provision or right, or in any way affect the validity of this Agreement. A waiver of any claim for a breach of this Agreement will not operate to waive any claims in respect of any other breach.
- 17.10. This Agreement and all non-contractual obligations arising out of or in connection with it are governed by English law and subject to the exclusive jurisdiction of the English courts.
